YourWeatherFirst.com

Site Plan

Site Name

This site will be named **YourWeatherFirst.com**.
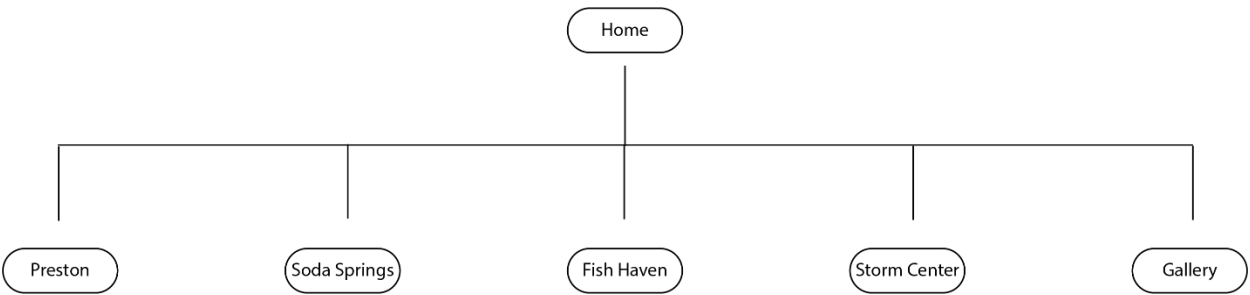

Purpose Statement

The purpose of this site will be to access and display weather related information for select locations, as a student to learn the process of doing so, and to develop it as a user-friendly site with good styling and usability.
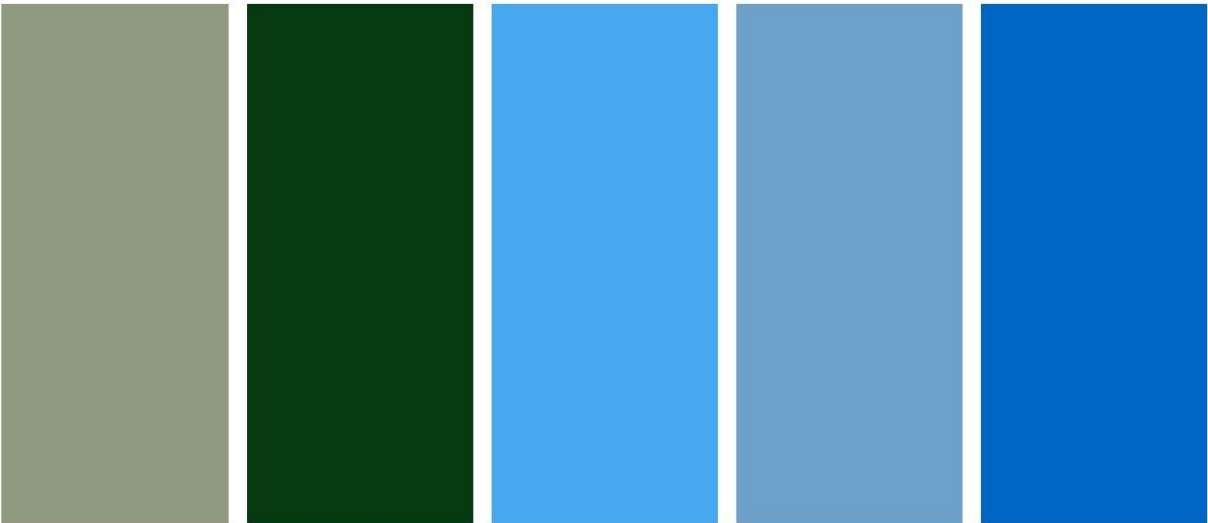

Target Audience

The target audience would be those living in or planning on traveling to, or through, the select locations in need of knowing the current and or upcoming weather for these locations.

1. Current residents of select locations.
2. Relatives of residents living in select locations.
3. Local businesses, business owners, of these areas.
4. Potential future residents looking at these areas, curious about weather conditions.
5. Visitors preparing and, in the need, to know what to plan for upon arrival to these locations.
